

## CLEAN & DRY

Clean & Dry is a highly absorbent desiccant powder infused with essential oils designed to help provide a dry and comfortable environment for your animals.

### Equine

#### Absorbent Sanitising Powder for Equine Yards

Relying solely on disinfecting surfaces is not always sufficient in ensuring the removal of pathogenic bacteria, as excess moisture can lead to unwanted bacterial growth following clean down. Clean & Dry is a blend of natural minerals and essential oils with enhanced absorptive ability to help keeping areas Clean & Dry!

Ideal for use in stable yards.

#### Key Benefits

- ✓ Ideal for use in stables, horseboxes and transporters.
- ✓ Can help maintain a clean environment and dry bedding for the comfort of horses and foals, keeping them warm and dry, encouraging their feeding activity.
- ✓ Helps reduce environmental microbial burden.
- ✓ Contains essential oils that can help prevent the skin from drying out and keeping the skin supple.
- ✓ Can absorb twice its weight of moisture to help provide and maintain a dry environment.
- ✓ Applied to floors and ramps to help reduce the incidence of slips and falls of both animals and humans.

#### How to Use

Sprinkle and dust around individual stalls, horseboxes and stable floor areas as directed, and sweep excess material away during routine cleaning.

##### Stalls & Horseboxes

Up to 100 g/stall/twice a week.

##### General Use in All Areas

Up to 70 g/m<sup>2</sup>.

For best results, use continuously throughout the year.

Once opened, ensure the bag is tightly sealed between use to ensure longevity of the product, and store in a cool, dry area away from heat and damp conditions.
