

CLEAN & DRY

Clean & Dry is a highly absorbent desiccant powder infused with essential oils designed to help provide a dry and comfortable environment for your animals.

Poultry

Absorbent Sanitising Powder for Poultry

Relying solely on disinfecting surfaces is not always sufficient in ensuring the removal of pathogenic bacteria, as excess moisture can lead to unwanted bacterial growth following clean down. Clean & Dry is a blend of natural minerals and essential oils with enhanced absorptive ability to help keeping areas Clean & Dry!

Ideal for chicken housing and surroundings.

Key Benefits

- ✓ Efficient and practical cleaning product ideal to maintain the cleanliness in poultry housing.
- ✓ Can absorb twice its weight of moisture to help provide and maintain a dry environment.
- ✓ Removing excess moisture in the nest boxes can help reduce cycling of undesirable bacteria from the environment.
- ✓ Essential oil contained helps reduce odour and smell from droppings.
- ✓ Ideal for when mixing stock, to reduce stress during re-grouping.

How to Use

Sprinkle and dust up to 50 g/m² into litter and onto all floor areas during daily maintenance, sweep excess material away during routine cleaning.

Regrouping & Transport

A light dusting over stock and equipment.

For best results, use continuously throughout the year.

Once opened, ensure the bag is tightly sealed between use to ensure longevity of the product, and store in a cool, dry area away from heat and damp conditions.
